

International Conference on Applied Business & Economics

Dear Sir/Madam

I am contacting you with regard to the organization of the 11th International Conference on Applied Business and Economics (ICABE) which is organized by the Department of Maritime Studies of the University of Piraeus and will be held in Brooklyn NY, USA, from 8th to 10th September, 2015. The ICABE 2015 has attracted so far the participation of keynote speakers and session chairs from the following major academic institutions:

- Touro College and University System
- Loyola University, Chicago
- New York University (Stern)
- Exonomix of the University Paris X, Nanterre
- University of Piraeus, Greece
- Neapolis University Pafos, Cyprus
- University of Craiova, Romania

ICABE (www.icabe.gr), in the 11 years since its foundation, has managed to become a pivotal actor in connecting Universities to the business world and in promoting scientific research. It has gained international recognition attracting prominent personalities from both the academia and corporate business as keynote speakers. ICABE 2015 aims to gather the intense interest of the academic community and raise the attention of businesses, organizations, agencies and representatives of the media.

In this context, we would like to invite you not only to attend personally with a paper in any session of ICABE 2015, but also to encourage your Faculty Staff Associates and your cooperating researchers to present a paper in the Conference. It goes without saying that both your presence and your involvement would be a great honor to ICABE 2015.
